"I my afeatd you won't like it, but just look The little thing was asleep, but his

mouth was half open, and from his lips to his threat was a mass of niceration. Perhaps, as them ther said, you won't like to look at that bally's mouth. You may not like to think of soft baby lips all parched and brown. It isn't pleasant to think of a baby that cannot even coo, or say "da-da," or any of the sweet inarriculate nothings that steal the very heart out of a mother's bedy. When we "roll sweet morsels" under our healthy tongues,

it would not add to our pleasure to think of a mother's heart happier. I will try and do wee baby who is almost starved because he more if I can. MANIE EDWARDS, age twelve years. Long Branch. cannot endure the agony of taking even milk

into his tortured little mouth. It isn't pleasant to think about-no! But it would be pleasant, indeed, to be the means of easing the pains of that suffering bit of humanity, and you can do that. If necessary deny yourself something.

There are many men of many luxuries And if each man, woman and child in New York would send the price of just one such gratification the free doctors would soon carry health and happiness to the tables. Bless their dear little hearte and their poor title bodies !

nestly for them. Others can bely themselves. If not, they can at least make their needs known. But a baby is at the world's mercy. Helpless, suffering yet blameless, they stretch their poor, puny little arms to you for comfort. It doesn't seem possible that there can be a single mother or father in this city who can realize the terrible suffering of the babies and not be touched by it.

The girls and boys feel it. They are sending their pennies and their dimes, and their little letters all show the thrill of happiness which comes from trying to help others. Do not let the children carry all the burden of taking care of the babies. Help them ! Encourage them by adding your dollars to their on pennies.

cidedly Mannish Flavor.

London Sets the Siyle in Gloves

for Horseback Riding.

Feminine fashions have a decidedly man-

hish flavor this season. The perfect-fitting

cutaway coat, showing a fancy waistcoat of

tailor's goods, and the inevitable shirt from

with the immaculate tie, are all masculine in

gerivation. But they are extremely become

ing to womankind in general and are de-

cidedly the nestest thing for street wear

Since it has become the fashion to ride in London in straw hats, treble-button dogskin

considered the best sort of gloves on horse

back. Those who want a thicker make must

have Hussian leather gloves, which resemble

chevrette in substance, but fit extremely

Queen Victoria does not like tobacco smoke. she probably regrets its importation by de-lightful velvet-cloaked Raleigh, and she will have none of it in the portion of the balace where she resides.
